LUCAS GROUP TO ATTEND CSCMP ANNUAL GLOBAL CONFERENCE 2012

Firm's manufacturing recruiters expertly connect companies with top industry talent

Atlanta, GA – September 28, 2012 - [Lucas Group](#), North America's premier executive search firm, is pleased to announce it will attend the upcoming CSCMP Annual Global Conference 2012. Hosted by the Council of Supply Chain Management Professionals, the conference will take place September 30 through October 3 at the Georgia World Congress Center in Atlanta.

Helping professionals connect to the latest supply chain management knowledge, research, and industry developments, CSCMP includes a variety of educational sessions, facility tours, networking events, and exhibitions. Lucas Group's [manufacturing recruiting](#) division will participate in the industry-leading event, hosting conference participants at exhibit booth #907.

“We are honored to be a member of CSCMP and are looking forward to meeting with companies and professionals from across the supply chain spectrum,” said Charlie Wilgus, General Manager for Lucas Group's Manufacturing Division. “CSCMP represents a wonderful opportunity to further engage with industry leaders and to continue our efforts to match skilled, qualified supply chain talent to the [manufacturing jobs](#) that present exceptional opportunities and lasting success.”

Recognized as demonstrated experts in executive supply chain recruiting, Lucas Group knowledgeably identifies and places the experienced manufacturing and supply chain leaders who drive financial and operational results. Working with mid-tier to Fortune 500 companies in this fast-paced, dynamic industry, the [manufacturing recruitment firm](#) consistently provides regional expertise, national reach, and global perspective.

“The manufacturing industry is enjoying a resurgence in many markets across North America, and we are proud to be part of it,” said Wilgus. “By taking a deeply consultative approach and combining it with a comprehensive and proven process, we help professionals find the supply chain jobs that move their careers forward and that lead to the achievement of long-term aspirations and objectives.”
