

Media Availability for **Steven Lynch** General Manager, Legal

[Steven Lynch](#) is your go-to source on hiring and recruiting in the legal industry. As General Manager for Lucas Group's Legal Division, Steven expertly cultivates the development and relationship management of both clients and senior-level attorneys throughout the Southeast.

Additionally, he leads a team of highly accomplished branch leaders and legal recruiters who are singularly dedicated to assisting law firms and corporations find and hire transcendent legal talent in both permanent and contract legal roles.

Over the past 15 years, Steven has successfully placed experienced, distinguished attorneys throughout the country and has negotiated lateral partner transitions and practice group acquisitions on behalf of some of the most respected U.S. firms.

He is a frequent writer and media commentator on legal hiring and recruiting issues. Among his recent articles and interviews:

- [Building Skills, Willingness to Learn Propel Counsel Careers](#) (Atlanta Business Chronicle)
- [Legal Recruiting](#) (LAWsome Podcast)
- [Making The Case For Law Firms To Embrace In-House Career Counseling](#) (blog)
- [Attorneys on Edge: 3 Strategies for Lessening Lawyer Stress](#) (blog)

“ In an economy where efficiency and versatility are valued, lawyers who demonstrate a sound understanding and grasp of new technology and data analytics – i.e., big data – are quickly becoming an increasingly valuable commodity. ”

– **Steven Lynch** blog on “5 Skills Lawyers Need to Harness Big Data”
