

Media Availability for **Tom McGee** General Manager, Sales & Marketing Division

[Tom McGee](#) is your go-to source on hiring for Sales & Marketing positions and general recruiting trends. As General Manager of the Sales & Marketing Division since 2005, Tom manages teams across several national branches.

With more than 30 years of experience in recruiting, Tom has witnessed the evolution in technology needed by today's successful recruiters to find and place the best candidates. Regardless of the tools at hand, he understands that business is personal and is committed to driving superior results through rigorous industry research, market analysis and ongoing communication with clients and candidates.

At Lucas Group, Tom was instrumental in developing the firm's Associate Training Program. He leads passionate, high-performing teams that create tangible results for clients and candidates.

He is a frequent writer and media commentator on hiring trends and leadership in the workplace. His recent articles and interviews include:

- [Do These 22 Things To Get a Jump on Your Job Search This Year](#) (Yahoo Finance)
- [8 Experts On Elevator Pitches for Tech Professionals](#) (FreePress)
- [How to Turn Your Team's Weaknesses into Strengths](#) (blog)
- [Why CMOs are Becoming CEOs](#) (blog)

“ Identifying talent gaps – and recruiting to fill these gaps – is one of the best ways to address the shortcomings of a particular team or department. ”

– *Tom McGee* blog on turning team weaknesses into strengths
